

THE GRADUATE STUDENT RESOURCE GUIDE

FROM YOUR GSC REPS

01/2020

Welcome to the Dartmouth Graduate Student Resource Guide!

The purpose of this document is to help graduate students identify different avenues, offices, and persons that may be contacted should various student life issues arise. The eleven potential issues that are identified in this Resource Guide are umbrella terms that embody specific types of problems and should not be considered an exhaustive list. Within this guide, you will find a list of the identified potential issues, the resources available to Dartmouth graduate students, and potential paths each resource may take regarding a specific case in the form of an easy-to-use roadmap. Further, each resource has its own page with more detailed information on location, hours of availability, and contact information.

If the reader has any questions or comments regarding the guide, please contact the GSC Student Life Committee by emailing gsc.studentlife@dartmouth.edu.
