THE GRADUATE STUDENT RESOURCE GUIDE
FROM YOUR GSC REPS
01/2021
Welcome to the Dartmouth Graduate Student Resource Guide!

The purpose of this document is to help graduate students or graduate student mentors identify different avenues, offices, and persons that may be contacted should various student life obstacles or questions arise. This Resource Guide broadly defines eleven potentially relevant topics that embody specific problems or questions that may influence a graduate student’s life. This list of "umbrella terms" and their definitions should not be considered exhaustive. Within this guide, you will find a list of Dartmouth and third-party anonymous reporting forms, a list of the eleven umbrella terms, the resources available to Dartmouth graduate students and which umbrella terms they fall under, and potential paths each resource may take regarding a specific case in the form of an easy-to-use road-map. Further, each resource has its own page with more detailed information on location, hours of availability, and contact information.

If the reader has any questions or comments regarding the guide, please contact the GSC Student Life Committee by emailing graduate.student.council.student.life@dartmouth.edu.
